Please complete your abstract (400 words excluding title, section headings and references) using the suggested headings below.

Poster Abstract*:*

Introduction/Background
Describe the background to the study. Include the context for your study and why was it important that it is explored?

Aims and Objectives
In this section please set out clearly what you wanted to achieve with this project.

Methodology: *Describe the design of the study and the methodology used. This section should include information on the type of research project, e.g. sample size, exclusion/ inclusion criteria, time period of audit, method of analysis, etc.*

Results: *Outline the main findings of the study, but do not include tables and charts in the poster abstract.*

Conclusion/ Recommendations: *Interpret your results - what do they mean?* What conclusions were reached from your findings and what are the recommendations?

References: *maximum of 5 references including standards used. List of references is excluded from the word count of the abstract.*

Please forward completed abstract as pdf-file to Louise.Hester@hse.ie
